## Fools and Hypocrites.

Dear Mr. Editor:

It has been some little time since I gave the bugs that round. I will write again but won't have much to say about the bugs. I just want to say a few words about fools and hypocrites in Prov. 1:7. It says a fool despises wisdom, but if you want to get a fellow's dander up just call him a fool, and yet men and women alike are running after every foolish thing the devil can invent and put out. That is why we are having so much sickness, so many deaths, and so many disasters of every kind—just because folks have turned foolish and forsaken God. In Prov. 1:21 it says fools die for want of wisdom. They have the wisdom but its the wrong kind, the kind that will lead to everlasting destruction. It says in Prov. 20:3 that every fool will be meddling—that is, trying to attend to somebody else's business instead of his own. When you see a fellow begin that, I will show you a fool that will soon be out of a job—he will give the undertaker that.

You will find, in Eccles. 2:14, that it says fools walk in darkness. Yes, and I think a goodly number of them ride too, judging by the cars that run up and down the road, yes, as late as 2 and 3 o'clock. And you can hear the sweet voice of some mother's girl as the cars go whizzing by, and I'll just bet you one fool against 3 hypocrites that most of them are church members too, and sing in the choir as for that. They try their very best to fool God on Sunday, but God says: "be not deceived, for God is not mocked." Whenever you see a man or woman trying to deceive both God and man, I call them a regular double-headed fool. I am so glad that we have a true God, one we cannot deceive, but will have mercy on and save all the fools and hypocrites that are willing to stop the sin business, stop cussing holiness, stop standing up to pray, and stop giving the preacher your hand in time of a revival meeting, claiming you are converted—folks are not converted that way. That is one of the easy plans the devil has invented to try to win folks over on his side, and he is surely having success too. I believe I have had some of as good pants in my life as anybody, but I have never had any too good to kneel down with in time of prayer. God requires folks to kneel down when they pray, but it don't matter what he requires this day and time, folks are going to have THEIR way. God says the way of the transgressor is hard, but they don't seem to think so, judging from their actions.

So here's hoping to see a change for the better in the near future. Let the wicked forsake his ways and try to seek God's ways, then times will be better for all.

SUITS ANSWER FEMININE DEMAND

IT IS the fashion to be sensible—that is, when it comes to choosing one's street suit or topcoat. The topcoat patterned after big brother's or hubby's own is woman's pride this season. To be swagger style, these manly cloth togs must be of staunch and sturdy cloth which guarantees outdoor service. Where do you suppose we go to buy the real thing in these coveted coats? Direct to a man's tailoring establishment! It is a fact several leading manufacturers identified heretofore the country over as makers exclusively of men's suits and coats are producing strictly tailored garments for women this season.

These coats of masculine type to be correct must have the characteristic neat collar, wide belt, roomy sleeves and deep pockets without a compromise toward any detail which savors of the feminine. The illustration demonstrates this mode.

Melton cloth, which is noted for its light weight and heavy appearance, is the favorite fabric, although tweed is a close rival. The herringbone pattern, which is so well thought of for men's suits and coats, is quite as appealing to sister and mother this season for street wear.

If it isn't the topcoat manly fashion then it is the suit, which milady insists must be built on conventional lines. For the business woman who has no time for frills these new modes are especially appropriate. Yet I think me that a touch of the eternal feminine in the way of a bit of crochet lace is sure to reveal itself when the coat is thrown open, although the strictly tailored lingerie shirtwaist is really in keeping with the vogue, which proclaims men's fashions as women's fashions this season.

It is a question whether beige or gray has preference, and many of the lighter two-tone brown effects are noted.

The suit in the picture was developed in gray homespun and it is the type which is ever ready with no wear-out to it.

QUALITY KNITTED BATHING SUITS  
PREFERRED BY THOSE WHO KNOW

ACCORDING to the calendar, anticipation will soon be realization to those looking forward to the season of swimming and sea-bathing. Why not forestall the usual pen of regret, "I have no bathing suit," by preparing aforesaid.

It was remarked at the sea-coast winter resorts this season, that the plain high-quality knitted bathing suit was prime favorite. Of course there were many novelty creations which pass under the title of bathing suit, which are in reality beach costumes of the elaborate sort. If one is not a water fan, this sort of outfit is charmingly in accord with the picture, but when it comes to real sport, genuine healthy hearty playing the waves, or professional swimming, nothing gives the satisfaction of the knitted bathing suit.

It is, however, good economy to buy only the best. There are certain standards which guarantee fast color and enduring shapeliness. It is a waste of money to invest in any other. Some of the new knitted suits are most attractively designed as verified in the accompanying picture. This model is to be had in very interesting color combinations, such as gray with navy, scarlet or orange border. It is of jersey knit and in every line shows that style and becomingness has been thought out by the designer down to the slightest detail.

The attached full skirt is belted and bordered, in a way which adds to the general attractiveness. The refinement of this suit is one of its characteristics.

It is just as essential to wear attractive correct accessories with the bathing suit, as with one's dressiest costume. Bathing caps are becoming millinery achievements these days. The rubber flower caps are great favorites. For instance an ocean blue cap is entirely covered with white petalled rubber daisies. Roman strips bandanna caps are immensely becoming and it carries out a color mode which is fashionable throughout dress accessory this season.

For beach capes there are creations in rubberized silk in gayest colorings. The three-piece bathing suit with knitted cape to match is meeting with success, not only because of its attractiveness, but also from the standpoint of utility.

## LESSON FOR MAY 7

ISAIAH'S REMEDY FOR A WORLD  
AT STRIFE

LESSON TEXT.—Isa. 2:4; 11:1-9.  
GOLDEN TEXT.—Come ye, and let us  
walk in the light of the Lord.—Isa. 2:5.  
REFERENCE MATERIAL.—Pa. 46;  
Mic. 4:1-4; Phil. 4:3, 9; Gal. 5:22, 23.  
PRIMARY TOPIC.—How to Be a Peace-  
maker.  
JUNIOR TOPIC.—Swords Beaten Into  
Plowshares.  
INTERMEDIATE AND SENIOR TOPIC.  
—How to Make Peace and Keep It.  
YOUNG PEOPLE AND ADULT TOPIC.  
—Conditions of Permanent Peace.

Isaiah does not set forth merely an ideal for a world at strife, but foretells what shall actually take place in the latter days, which shall put an end to all earth's strife. In these Scripture texts he reveals the fact that Jesus Christ shall come and establish His kingdom and remove from men's hearts the cause for strife.

## I. The Kingdom Established (Isa. 2:2-4).

By "mountain" in the Scriptures is meant "kingdom" (Dan. 2:35; Rev. 13:1; 17:9-11).

1. Its position (v. 2). It shall be in a place of supremacy. It stands at the head of all kingdoms. In fact the kingdoms of this world shall then become the kingdom of Christ (Rev. 11:15).

2. The restored nation the teacher of the Gentiles (v. 3). God called Israel that He might make His name known among other nations. Now after many centuries of apostasy and rebellion the chosen nation comes into its own. God's favor will be so outstanding as to gain the attention of the whole world and cause the people to come up to Jerusalem to hear the law of God.

3. The divine judge (v. 4). The problems of the nations of the world shall be adjudicated by One who is all-wise, and He shall rebuke many people. Because of this rebuke they shall convert their implements of war into implements of husbandry and they shall learn war no more.

## II. The King (Isa. 11:1-5).

1. His lineage (v. 1). He is of royal stock, of the house of David. From the fact that the "branch" grows out of David's roots, it is shown that Messiah shall come when the fortunes of the nation are very low.

2. His qualifications (vv. 2-5a). The Holy Spirit shall rest upon Him in His completeness, qualifying Him for His work. "Wisdom and understanding" refer mainly to the clearness of intellectual and moral insight; counsel and might to the qualities which give sound practical direction and vigor to follow and carry through the decisions of practical wisdom; while the knowledge and the fear of the Lord define relation by its two parts of acquaintance with God founded on love and reverential awe which prompts to obedience. He shall have quick understanding in the fear of the Lord and His delight shall be to do God's will. This has fulfillment in Jesus Christ in whom are hid all the treasures of wisdom and knowledge (Col. 2:3).

3. The character of His reign (vv. 3b-5). (1) "Not judge after the sight of his eyes." His knowledge is perfect; his judgment pierces through the problems, even seeing the motive which lies back of the act. (2) "Not reprove after the hearing of the ear." The word "reprove" means "decide." His decisions, therefore, will be on the basis of fact, not on hearsay. He cannot be deceived nor imposed upon. He knows all things, even from the beginning. (3) "With righteousness shall judge the poor." He will mete out impartial justice to them. Many times now the poor suffer because the wealthy are able to bribe the judge, but when Christ shall reign as King the poor shall get justice. The poor shall not suffer in justice because he is poor nor escape justice because he is poor. (4) "Shall reprove with equity for the meek." "Reprove" here doubtless means "decide." In fact the meek shall inherit the earth (Matt. 5:5). (5) "Shall smite the earth with the rod of his mouth." By the "earth" is meant here the wicked inhabitants. When Messiah comes to reign there will be great wickedness in the earth (see Psalm 2:9-12; Luke 18:8). (6) He shall be girded with righteousness and faithfulness (v. 5). He is absolutely righteous and will faithfully carry out all His words.

## III. Description of Christ's Reign (vv. 6-9).

There will prevail universal peace between men and animals. In this description each animal is coupled with that upon which it naturally preys.

## Daily Thought.

It is common for those that are farthest from God to boast themselves most of their being near to the church.—Henry.

## Every Man.

The brave man carries out his fortune, and every man is the son of his own works.—Cervantes.

## On Things Above.

Set your affections on things above, not on things of this earth.—Colossians 3:2.

## Wise Men

are not the only ones who insure their property against destruction or damage by fire.

## Even Foolish Ones

know better than to run the risk of having everything swept away in an hour.

The cost is too small to consider. The benefits are
